## **QUEST GROUP'S EXPANSION NOW INCLUDES IVANHOE**

Quest Serviced Apartments has announced the opening of Quest Ivanhoe in Melbourne, Victoria.

Located in Upper Heidelberg Road, Quest Ivanhoe is Quest Serviced Apartments' newest property under its banner.

Following its ethos of providing a 'home away from home' for the corporate traveller, Quest opens in new precincts based on client demand. And, these days, with the suburb of Ivanhoe a bustling metropolis where corporate meets retail and health services meets schools, the decision to provide serviced apartment accommodation in this busy suburb is a welcome one for the community as well as those who conduct business in the precinct.

Quest Ivanhoe is due to open on 17 November 2008 and is conveniently located next to the Ivanhoe Rail Station making for a short commute to the CBD and just 24kms from Melbourne Airport.

Other facilities including the Austin and Repatriation Medical Centre and the Bundoora Campus of Latrobe University are just under 3kms from the property.

Quest Ivanhoe offers 66 stylish and comfortable serviced apartments in a mix of studio, one and two-bedroom accommodation.

The spacious and stylish serviced apartments all feature broadband internet access, LCD televisions and DVD/stereos, reverse-cycle air-conditioning, and separate living and dining areas. All one and two-bedroom apartments feature fully equipped kitchen and laundry facilities. For the short-term traveller the studio apartments offer kitchenette facilities with a guest laundry onsite.

Designed for the busy, extended-stay corporate traveller, Quest Ivanhoe also supplies breakfast options, valet dry cleaning, pantry shopping and charge back at a number of local restaurants.

Businesses requiring conference or meeting rooms are also catered for with facilities for up to 50 delegates.

Additionally the Business Centre offers business travellers a comfortable place to work, with amenities such as, internet access and document printing.

On-site car parking and a BBQ area are other features of the property.

Quest Chairman and founder Paul Constantinou said choosing Ivanhoe was consistent with the Group's 20-year business philosophy of creating Quest properties where business demand dictated.

"Our property locations are chosen for their close proximity to business centres, restaurants and shopping. We feel it's important that guests are close to where they need to be to conduct their business and where they can have lifestyle options too.

"Our focus is on delivering a value-adding and consistent product to the business sector. New locations are selected only on the basis of existing or strongly emerging corporate demand," said Mr Constantinou.

The opening of Quest Ivanhoe follows recent openings in Echuca (VIC), Ipswich and Chermside (QLD) and Sydney CBD (NSW) with new properties to follow in Gladstone (QLD), Albury (NSW) and Glen Waverley (VIC)
